

## sccer | future energy efficient buildings & districts

### SCIENCE MEETS INDUSTRY Event of the Swiss Competence Center for Energy Research “Future Energy Efficient Buildings & Districts”

Thursday 7 September 2017, 16 :00 – 18 :30, EPFL SG1  
(followed by a Cocktail reception)

#### ACCESS

**EPFL (public transport):** Metro *m2* from Lausanne railway station to “Flon” (Lausanne Centre), then *m1* to stop "EPFL" (approx. 25' from from railway station to EPFL). Tickets : Zones 11 and 12.

**EPFL (by car):** On Motorway N1, follow the directions for Lausanne, then for Lausanne-Sud, exit at "Sortie UNIL-EPFL". The EPFL campus will be on your right, after that of Lausanne University (2<sup>nd</sup> roundabout). Several pay carpark are available on the campus for visitors.

**Venue:** The event will take place in the framework of the CISBAT 2017 Conference (separate registration), in the EPFL Auditorium **SG1**, which will be signposted from the « EPFL » metro stop (5' on foot, see enclosed map). It will be followed by a Cocktail, which will allow networking between participants in an informal setting.

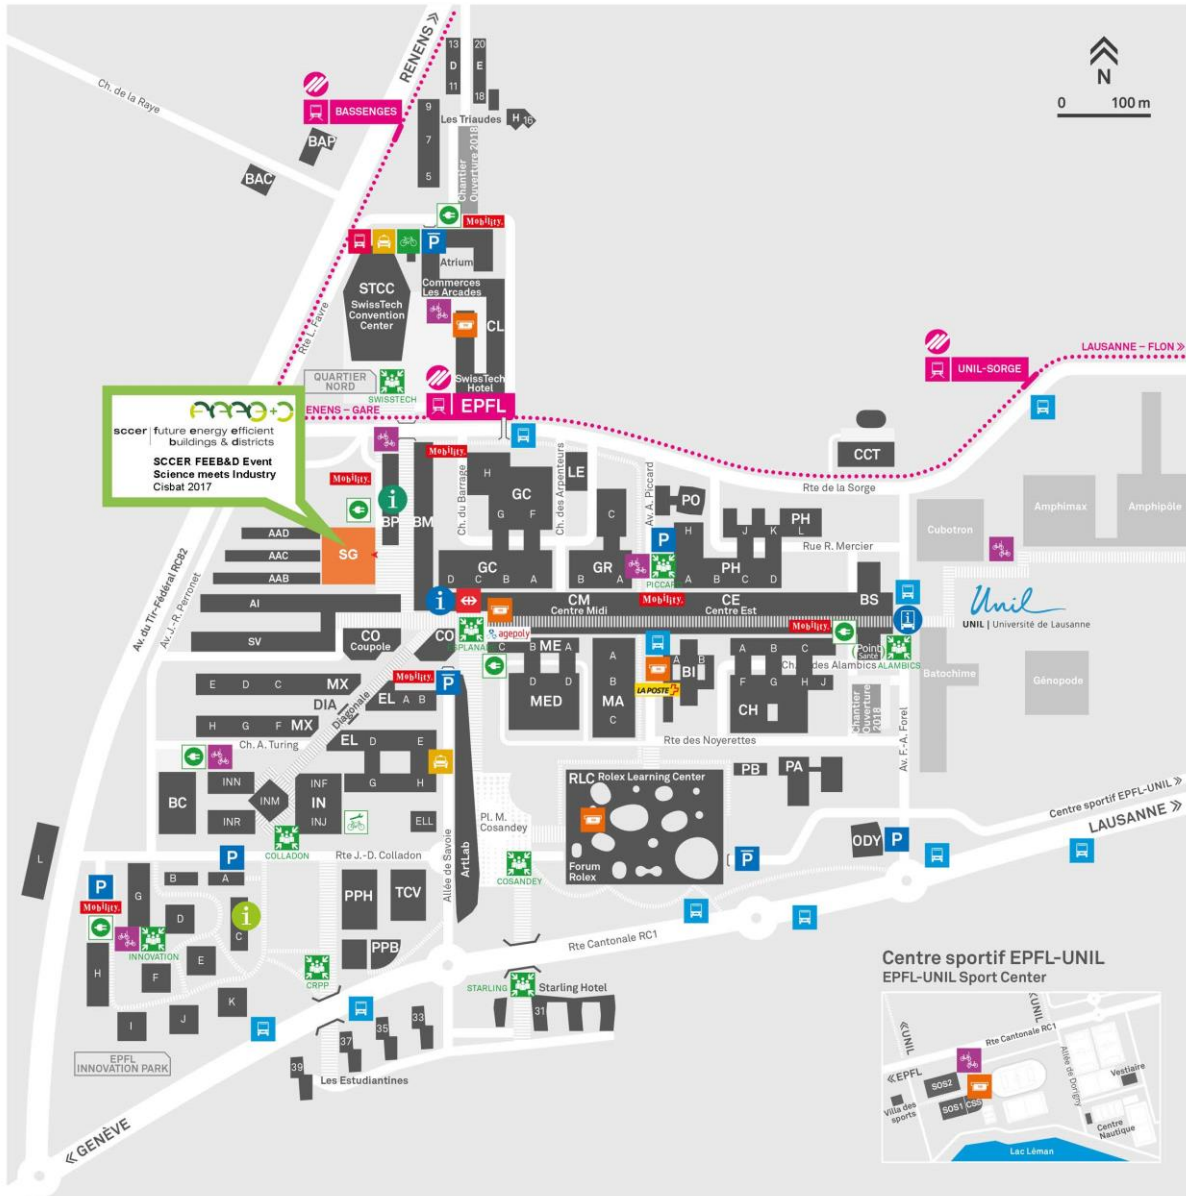

**Welcome Desk :** On your arrival, please announce yourself at the Welcome Desk in front of SG1.
